

2009 Miniature Float Rules & Information

1. Float dimensions (If you want your float judged) it can not be more than 8 feet wide by 10 feet long and not more than 10 feet from the ground to the highest point on your float.
2. Float material costs should not exceed \$600.00 total, this includes donated materials, but does not include costumes. Exceeding this amount will disqualify your float from being judged.
3. **New Rule** - You must have children riding on your float or you will be disqualified from the judging.
4. You must leave your float, and the area in order for your float to be judged. If for any reason your float is disqualified we will inform you of that.
5. If you want your float to be judged it must be at the north side of Wines Park (600 North) by 2:00 pm on Friday June 26th.
6. Your float **cannot** be pulled by a **motorized vehicle** in Friday or Saturday's parade. (Including 4-Wheelers)
7. Riders, pullers or people walking behind your float are not allowed to throw candy or use water to squirt spectators of the parade. Also, non-motorized scooters are allowed for those following behind, but bikes are not.
8. Parade Participants drop-off and pick-up points will be strictly enforced. Safety is our highest priority.
9. The parade will start both days at the Wines Park and end at the Lehi High School.
10. All floats need to be registered to Melissa Carter to receive your assigned number for the parade line-up. The float line-up is done on a first-come first-serve basis. Register your float ASAP.
